

HIGHLANDER

There is an appointed time for everything. And
there is a time for every event under heaven —

A time to give birth, and a time to die;
A time to plant, and a time to uproot what is planted.
A time to kill, and a time to heal;
A time to tear down, and a time to build up.
A time to weep, and a time to laugh;
A time to mourn, and a time to dance.
A time to throw stones, and a time to gather stones;
A time to embrace, and a time to shun embracing.
A time to search, and a time to give up as lost;
A time to keep, and a time to throw away.
A time to tear apart, and a time to sew together;
A time to be silent, and a time to speak.
A time to love, and a time to hate;
A time for war, and a time for peace.

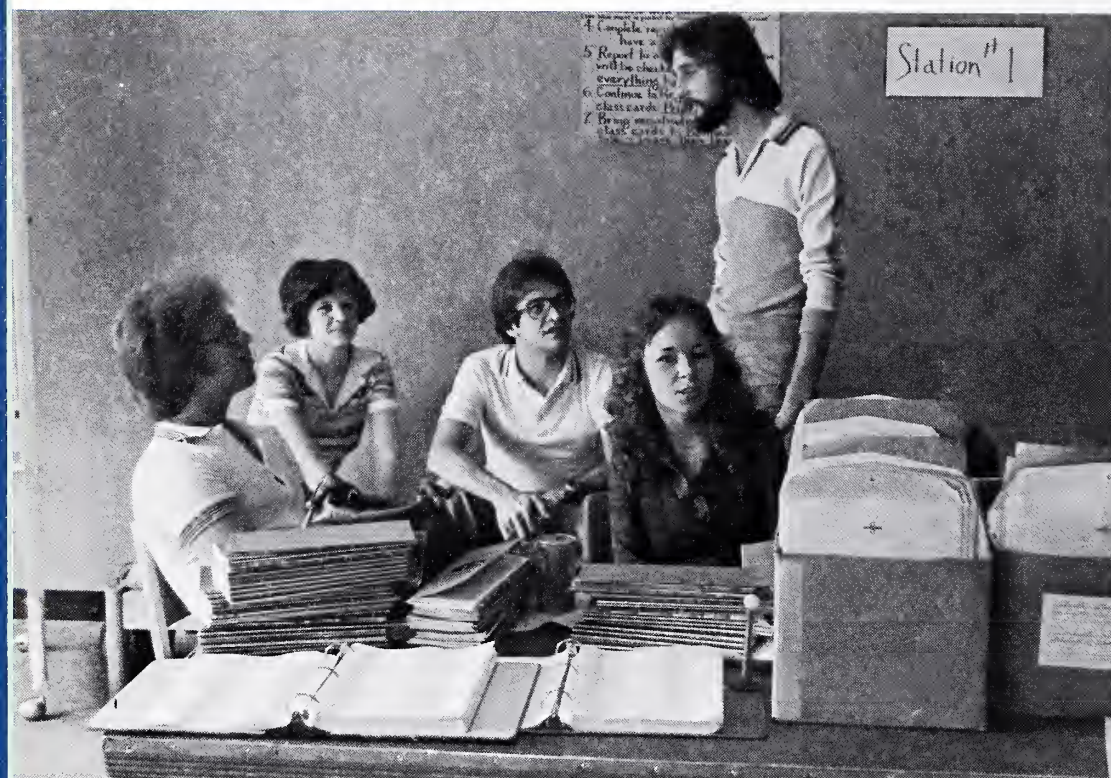

What profit is there to the worker from that in which he toils?

Ecclesiastes 3:1-9 (ASV)

pey.

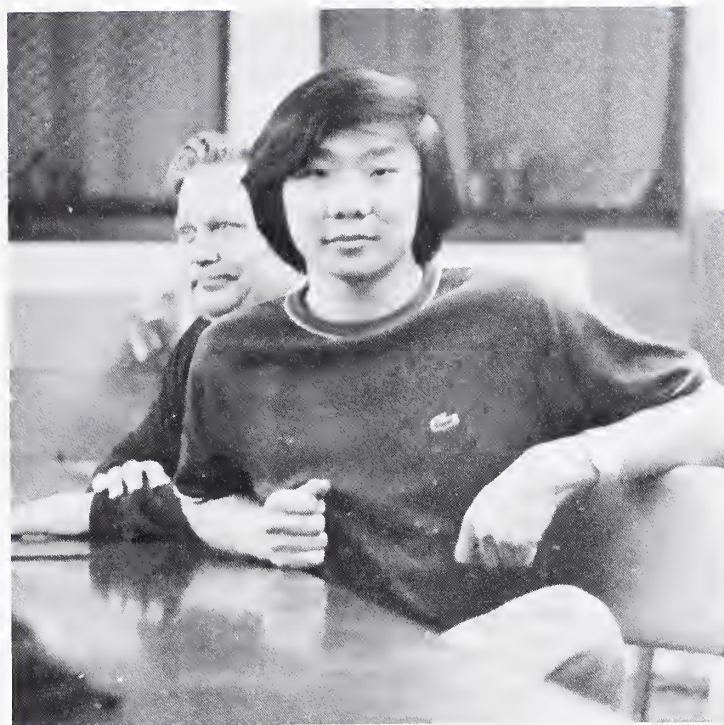

Fortunately, 1977 brought the end of the time when each Pikeville College student had to fill out six index cards in order to take even one class . . . the time of the one sheet registration form is here! With that, and lots of hard work on the part of our faculty and staff people (particularly those in the Registrar and Business offices), the whole process was faster and smoother.

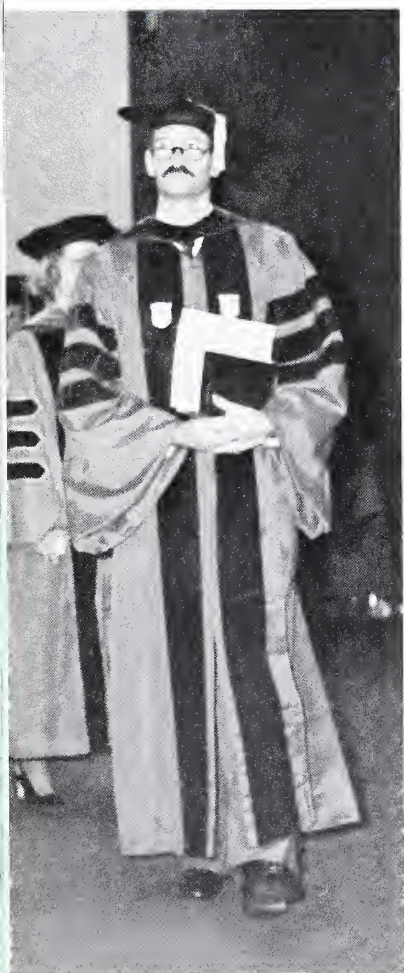

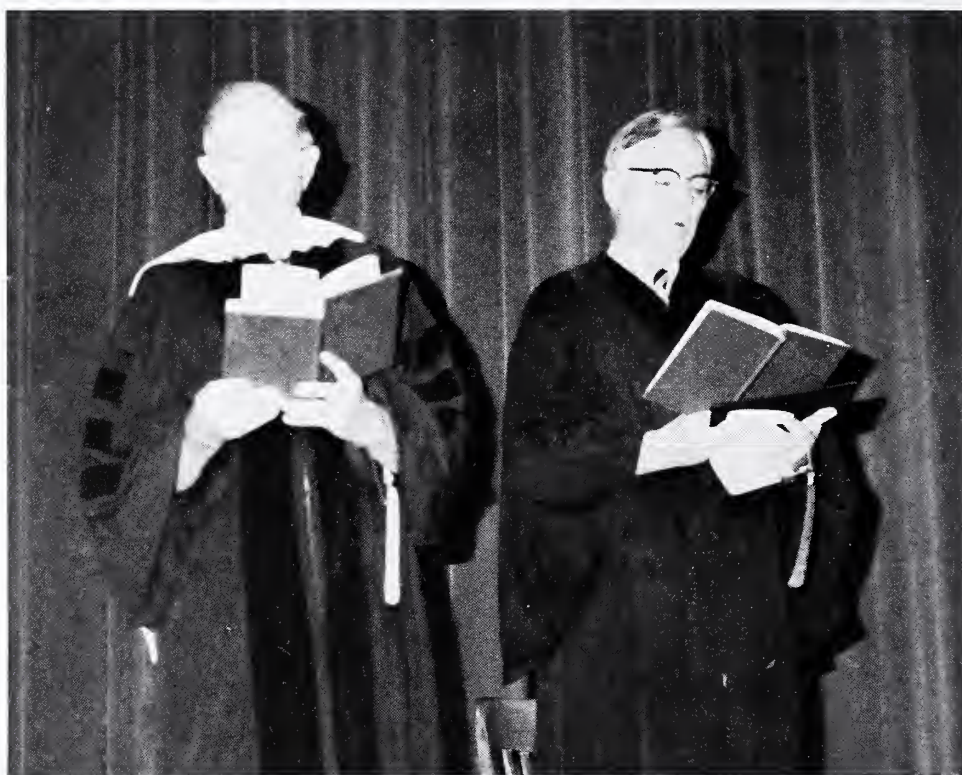

FOUNDER'S DAY OCTOBER 6, 1977

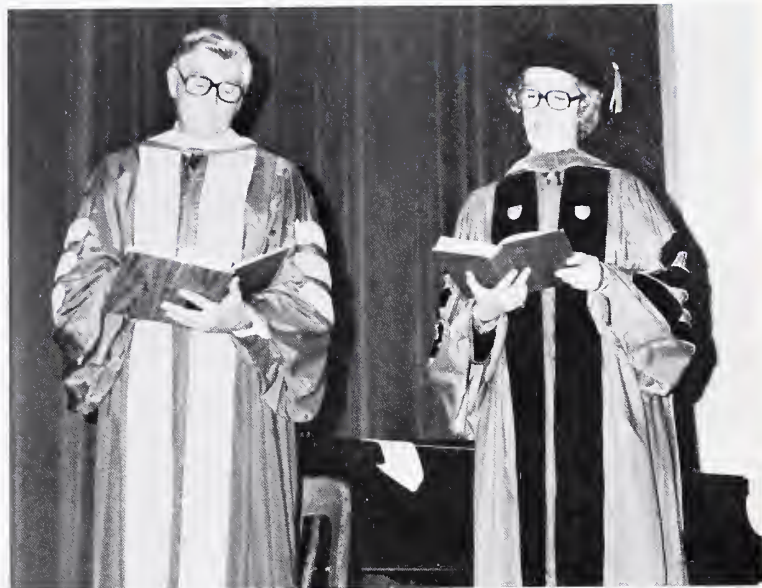

Rev. Dr. Roger R. Keller,
Minister to the College

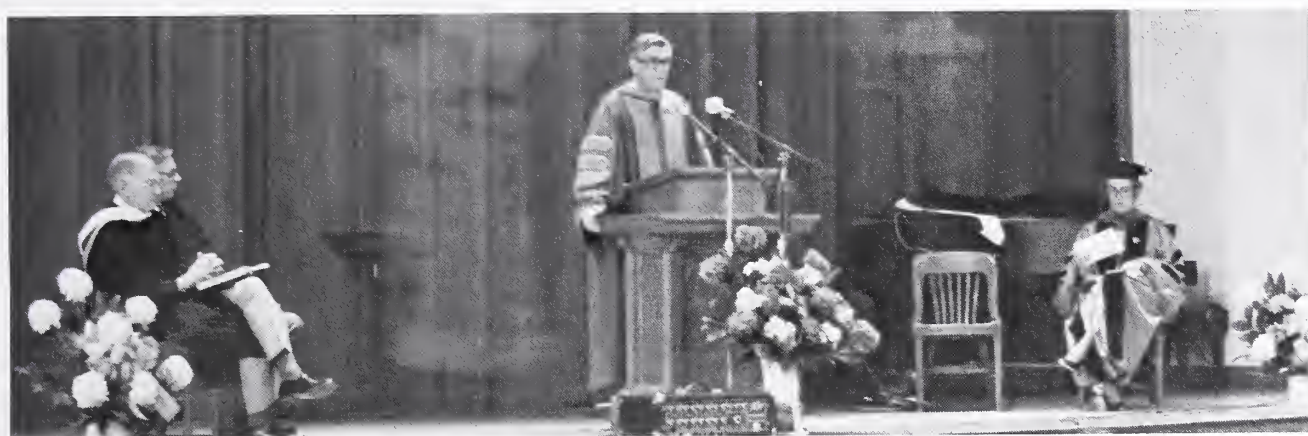

Sometimes we take too lightly the honoring of those people, known and unknown to us, whose cumulative efforts and experiences have given us the opportunity to grow and share life together at Pikeville College.

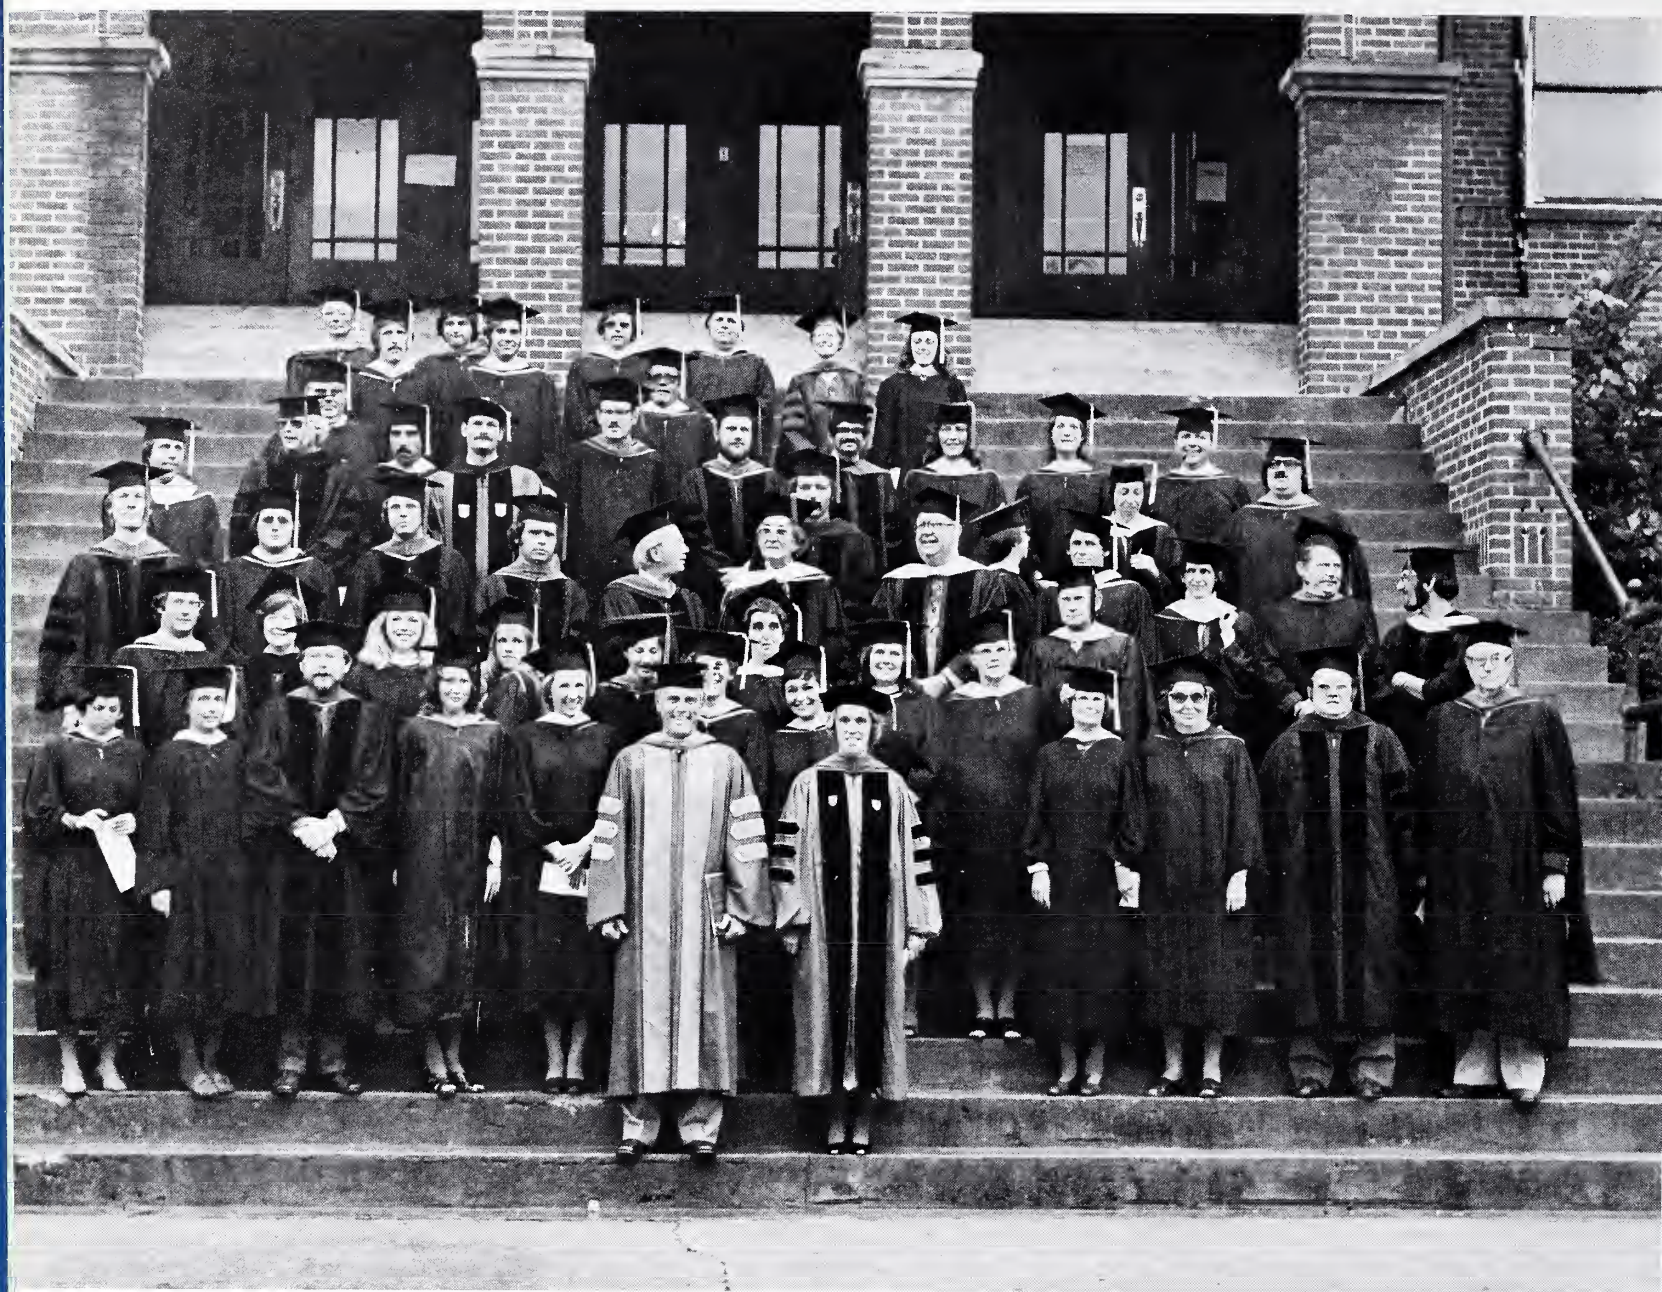

Dr. A.A. Page, President
Emeritus

Dr. Jackson O. Hall, President, and Dr. Marie V. Tarpey, Vice President for Academic Affairs

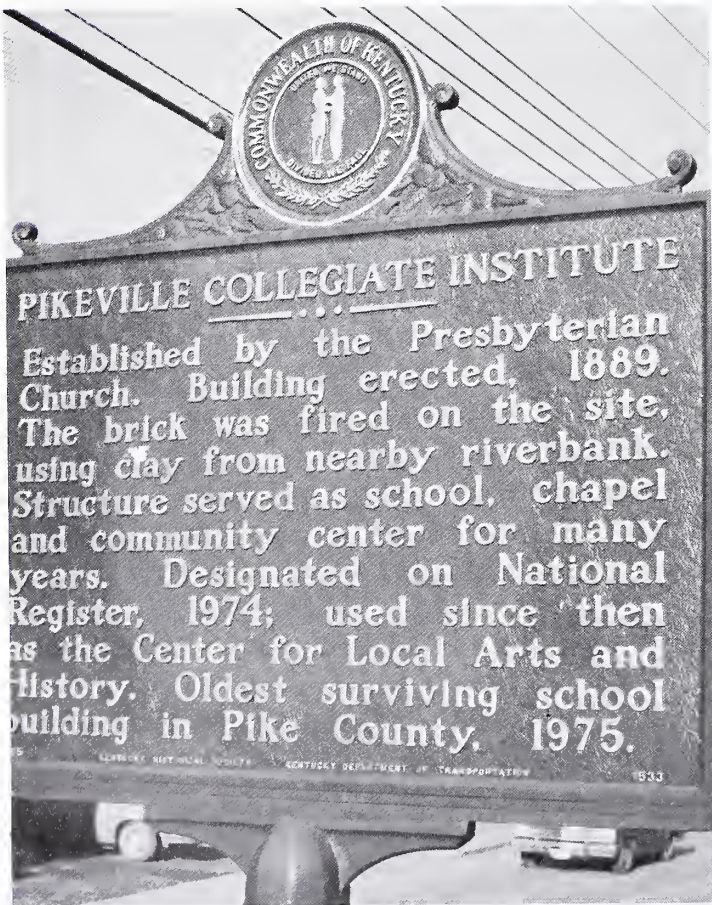

Founders' Day 1977 was a time of pausing to remember that the lives of many men and women, boys and girls, have been touched by Pikeville College and many of them have loyally supported the college in return. One such man is William Jesse Baird, recognized on October 6, 1977, with the honorary Doctor of Humanities degree for his generous, selfless, committed devotion to the growth and enrichment of Pikeville College.

PIKEVILLE COLLEGE ADMINISTRATION AND FACULTY, October 6, 1977. Front row (left to right) — Dr. Jackson O. Hall and Dr. Marie V. Tarpey; Second row — Carol Tackett, Sandra Branam, Dr. Jerry L. Bill Higginbotham served Pikeville College for nine years as a member of the Development and Public Relations Office staff. When he resigned in September, 1977 he was Vice President for Development and Public Relations. He and his wife Melissa, a Pikeville College alumna, now reside in Pikeville where he is President of Hi-Mar Coal Company.

Homecoming activities for 1977 began on Wednesday evening, December 14 at 9 p.m. when "Survive" was presented in Chrisman Auditorium.

A disco party was held Thursday night from 8 p.m. until midnight in the cafeteria.

On Friday morning at 10:30 the cheerleaders conducted a Pep Rally in Faith Chapel. Homecoming queen candidates and attendants were introduced while the pep band played.

At 6:30 p.m. on Friday the traditional homecoming parade moved through downtown Pikeville, starting at the college gym and including members of the basketball team and coaching staff, homecoming queen candidates and attendants, Miss Pike County Kathi Mullins, area high school bands, the pep band, and the cheerleaders.

A concert featuring singer/guitarist Erin Issac occurred at 9 p.m. Friday in Chrisman Auditorium.

The homecoming basketball game began at 2 p.m. Saturday, December 17 at the Pikeville High School gym. The Bears hosted Berea in a conference game which resulted in a loss for the Bears. Kay Blackburn a senior music education major from Betsy Layne, was crowned homecoming queen during halftime ceremonies at the game. She reigned over the homecoming dance at Mullins High School from 8 p.m. until midnight Saturday night. Music was presented by Tyrone Smith and Charade.

The week's activities ended with an all night bowling party at the Starlite Bowling Center from midnight until 5 a.m. All the events were open to students, faculty, staff, administration and alumni.

Fire in Wickham! Actually, other than smoke and water damage, the November 16 blaze was confined to a third floor storage room. The fifty men residents were relocated to rooms in Page Hall . . . and Wickham remains closed as a dormitory until all fire regulations are satisfied.

ENERGY

Timely topic for eastern Kentucky: ENERGY! The S&H Foundation provided our Division of the Social Sciences with funds to present a forum on the Energy Crisis and Eastern Kentucky October 17 and 18

We trudged through the winter of 1977-78 carefully. Threats of energy cut-backs made us cautious about leaving heat and lights of on unnecessarily. Nearly two feet of snow saw us wearing boots, gloves, caps, and scarves . . . not to mention buying all the snow shovels available in Pikeville. They were put to good use, clearing the "99" and other steps, sidewalks, and pathways. The snow had its fun too. We all worked together and shared great fun, sledding down the hill beside the Armington Building, competing in snow "person" contest, dancing in the den, and taking time to read, relax, and study.

A consortium arrangement among Pikeville College, the Methodist Hospital of Kentucky, and Eastern Kentucky University provides this region with an associate degree program in nursing. Students enrolled in the program are part-time Pikeville registrants. Their clinical experiences take place at the hospital and their courses are administered by Eastern, which actually grants their degrees. Far from having a "man without a country" feeling, OUR nursing students often live on campus, participate in all student activities, and have the same rights and privileges as other Pikeville students. After all, they are a part of us and most likely will stay around to serve the health care needs of the people of this region!

Second year students: (l-r) Diana Salisbury, Norma Barton, Furnell Rife, Ann Young, Paul Kinney, and David Kiser.

First year students: (l-r) Teresa Blackburn, Lenetta Bevins, Kathy Khoshreya, Deborah Saunders, Debra Cherryholmes, Joan Mullins, and Teresa Hampton. Second row (l-r) Teresa Newsome, Mavis Johnson, Debra Bentley, Lona Casebolt, Pat Bradley, Paula Collins, Susan Spears, Malta Stanley, Teresa Maggard, Tamera Wright, and Cheryl Wright.

Dr. Hall (right) welcomes Coach Paul Falin (left) to Pikeville College.

Beginning August 1, 1977, with incredible patience, diplomacy, and calm determination, Paul Falin accepted and endured the enormous difficulties of athletic director and basketball coach for our Bears. Five a.m. practice sessions; borrowing city and county school gyms; rearranging scheduled games; working with virtually no budget and inadequate moral support; and losing valuable players to family sickness, injuries, and academic deficiencies. We are grateful to Paul Falin for keeping it together . . . giving us a basketball program we are proud of under circumstances most coaches wouldn't have touched. He's a gentleman of the highest caliber and we thank him for having taken a year of his time to make it possible for the Bears to approach the 1978-79 season with renewed optimism and enthusiasm.

A sabbatical is an earned privilege that is infrequently granted to faculty members at small colleges such as Pikeville. Dr. Stephen Fritz, chairman of the Division of Social Sciences and associate professor of history, earned this distinction this year. He and his family (wife Patricia and sons Alexander and Andrew) left for Oxford, England in December so that Dr. Fritz could study at Queens College under Dr. Kenneth O. Morgan. Morgan is the most prominent Lloyd George scholar in the world. Fritz is writing a book about George that is tentatively titled "British Peace Diplomacy in the 1920's".

In order to qualify for a sabbatical, a faculty member must have completed five years of continuous service to the college and upon his return must commit himself to a minimum of one year with the college. We congratulate Dr. Fritz on his pursuit of scholarly research and recognize that it is this kind of dedication to excellence, exhibited by so many of our faculty members, that makes Pikeville College an interesting, provocative place in which each of us can grow together, share ideas and enjoy learning experiences.

Dayer, advisers.

Annually, the Foreign Language and International Students Club sponsors Foreign Language and Culture Week. In March of 1978 this event was presented with displays of items from other countries shown daily in the lobby of the Armington Building. Above, club member Debby Keen and advisor Phyllis Dayer are on hand to describe display items to visitors. Other events hosted during the week included foreign movies, workshops, dinners, and slide shows.

Foreign Language and Culture Week encouraged club adviser Phyllis Dayer to adorn international attire during the display of items from other countries.

STUDENT GOVERNMENT ASSOCIATION

Pikeville College Student Government Association officers (left to right): Connie McCoy, treasurer; Johnny E. Williamson, vice president; Howard Roberts, president; and Debbie Jones, secretary.

The Student Government Association consists of members of the student body who meet regularly to discuss student concerns and to plan social activities for students. In addition, SGA represents students at faculty meetings and Board of Trustees' meetings. Members during 1977-78 included (left to right) row 1 — Randy Roberts, Johnny Williamson, Elleyne Varney, Darrell Mullins; row 2 — Greg Hall, Debbie Jones, Chavethip Sangsophit, Marcia Slone; row 3 — Howard Roberts, Connie McCoy, Curtis Wingard, Marla Cillins, and adviser J. Bruce Brown.

Johnnie Beavers, Jr., senior music education major from Matewan, West Virginia, served as president of SGA until January, 1978.

ONCE UPON A MATTRESS

The cast of "Once Upon A Mattress" during rehearsals for the musical fairy tale, presented by the Department of Fine Arts, Dr. Judith Harris, director, in November, 1977. The cast included students, faculty, administrators, and area business people. Russell Patterson, chairman of the department of fine arts served as musical and technical director; Peggy Davis, faculty member in the division of the social sciences, was choreographer; Jonathan Bruce Brown, instructor of music, conducted the orchestra. The musical is based on the fairy tale of the Princess and the Pea and starred Sara Falls, director of public relations at the college, as Princess Winifred the Woebegone; Scott Lemon, student majoring in religion, as Prince Dauntless the Drab; Jack Wicker, vice president of the Bank Josephine in Prestonsburg, as King Sextimus the Silent; Peggy Davis as Queen Aggravain; Dr. Roger Keller, minister to the college, as the Minstrel; Dr. Jerry Harris, chairman of the division of the humanities, as the Wizard; Kirk Saltzman, music education major, as the Jester; Betsy Davis, music major, as Lady Larkin; and Dennis Walker of Prestonsburg as Sir Harry. Other cast members included Sherree Hunt, Elleyne Varney, Phyllis Dayer, Carolyn Bevins, Greg Keene, Steve Collier, Charles Deaton, and Joyce Dotson.

Glenda Fraley, a teacher at Betsy Lane High School, served as one of the college's student teaching advisers, supervising the classroom instructional work of Beverly Venters.

Supervising Pikeville College music education majors Elaine Horner, Jonathan Harris, and Debbie Blevins was Janet Howson, music teacher at Pikeville Elementary School.

Allen Central High School biology teacher Lowell Martin served as the supervising teacher for Pikeville College student Jeffrey Ramey.

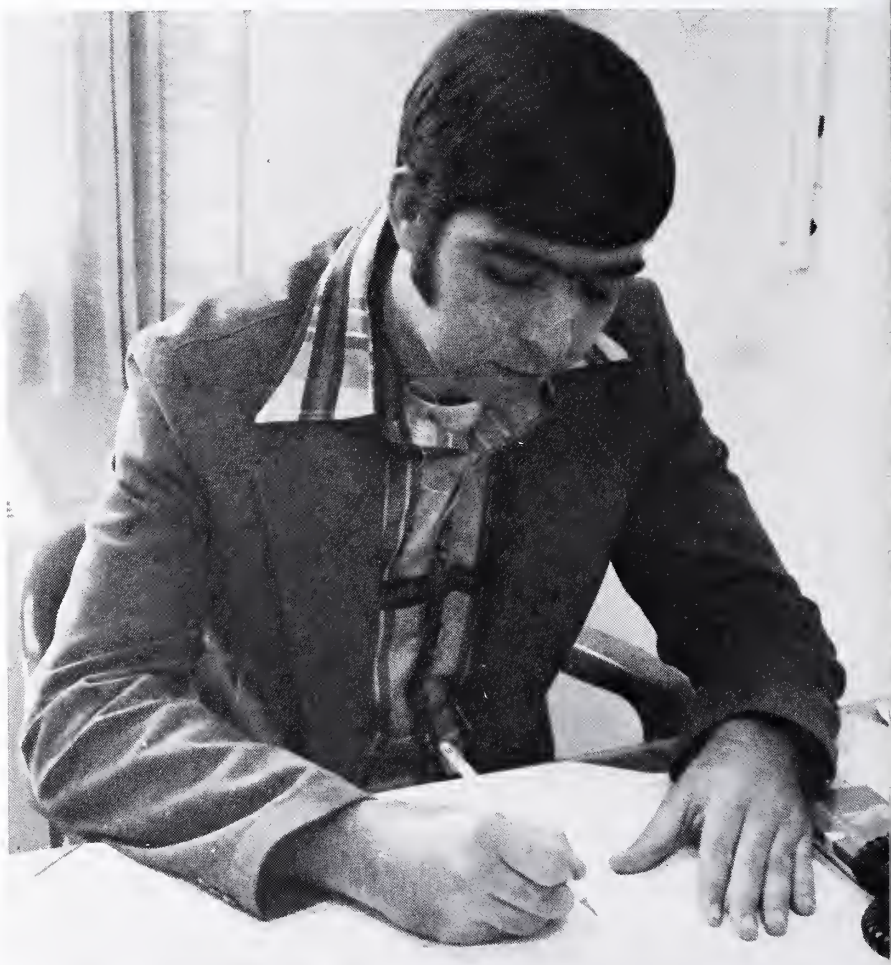

Pikeville High School choral director Sydonna Prichard supervised the student teaching of students Elaine Horner, Pauletta Smith, Jonathan Harris and Kay Blackburn.

Pikeville College student Nancy Helvey with supervising teacher Shirley Layne, business instructor at Johns Creek High where Nancy did her student teaching in the fall of 1977.

Grundy (VA) Senior High biology teacher Edwin Caudill was the supervising teacher for Pikeville College student Nina Deel in the fall of 1977.

Allen Central's Howard Wallen, physical education teacher, supervised the student teaching of Gary Branham in the fall of 1977.

HISTORY

Pikeville College began providing educational opportunities in eastern Kentucky in 1889 through the efforts of Drs. W. C. Condit, Samuel B. Alderson, and James P. Hendricks.

The institution opened under the name of Pikeville Collegiate Institute and provided instruction from the first through the twelfth grades. In 1909 the Articles of Incorporation were amended and the name changed to Pikeville College. At this time, the institution was empowered by the Commonwealth of Kentucky to confer degrees. Until 1955, Pikeville College operated as a junior college. Upper level courses were added during the 1955-56 year, with the awarding of the first baccalaureate degrees in May, 1957.

Pikeville College was admitted to membership in the Southern Association of Colleges and Universities as a four-year institution in 1961, having held membership in that association as a junior college since 1931.

CURRICULUM

Pikeville College's curriculum rests on a broad liberal arts foundation and provides high quality programs, courses, and activities for career and pre-professional education geared to regional and national needs. The entire curriculum emphasizes communicative and quantitative skills; independent thinking; toleration of diverse points of view; cultural, historical, and ethical awareness; and preparation for leadership. The curriculum also includes a program of developmental studies for responsible students who may be less than adequately prepared in certain areas.

CHRISTIAN COMMITMENT

As an independent, private institution historically affiliated with the United Presbyterian Church, Pikeville College is committed to promoting a Christian environment with a pervading ecumenical spirit and a tolerance of varied ideas. The college stresses ethical and moral values in all areas of endeavor, both within the institution itself and within the surrounding community.

ACCREDITATION

Pikeville College is fully accredited by the Southern Association of Colleges and Universities. The education programs are approved by the Kentucky Department of Education. The mining technology program is approved by the Mining Enforcement and Safety Administration.

FINANCIAL ASSISTANCE

Nearly any student who has a legitimate financial need can qualify for some

type of financial assistance. Scholarships, grants, loans, and part-time employment are all available for students who demonstrate academic potential but whose resources are insufficient to meet the costs of higher education.

Pikeville College is approved by the Veterans Administration for students who are eligible to receive educational benefits under the G. I. Bill of Rights. The college is also recognized as an approved institution for persons who are eligible for benefits through the Social Security Administration or Vocational Rehabilitation.

ATHLETICS

Pikeville College is a member of the Kentucky Intercollegiate Athletic Conference (KIAC) and the National Association of Intercollegiate Athletics (NAIA). Varsity sports included in intercollegiate competition are basketball, baseball, golf, tennis, and soccer.

Intramural sports activities for both men and women are offered according to student desire and participation.

STUDENT LIFE

Three residence halls provide housing for students who wish to reside on campus. Wickham-Memorial and Page Halls house men, while Condit Hall serves as an on-campus residence for women. Dining facilities are available through the college cafeteria as well as a snack bar/grill.

A number of student organizations are active on campus, including a Commuter Club for students who live off-campus, Psychology Club, Student Government, student chapter of the Music Educators' National Conference, Foreign Language and International Student Club, and the Peach Orchard Players.

ADMISSION REQUIREMENTS

Graduation from an accredited secondary school with a minimum of sixteen units (areas of emphasis in English, mathematics, foreign language, social sciences, natural sciences) or the equivalent as shown through examination such as the General Educational Development (GED) test is required for admission to the college. Potential students should also submit results from either the Scholastic Aptitude Test (SAT) or the American College Test (ACT) and a non-refundable \$10.00 application fee. For more details, contact the Office of Admissions at 606-432-3161.

TUITION AND FEES

As a private higher education institution Pikeville College receives no tax appropriation from either the state or federal governments. The college seeks to provide excellent instruc-

tion and services and satisfactory living and learning environments for students at moderate expense. The amounts listed here are subject to change as costs increase.

Tuition for a full-time student (one taking from 12 to 19 semester hours) is \$687.50 per semester plus a \$10.00 registration fee. A fee of \$60.00 per semester hour is charged for part-time study.

In most of the science classes, laboratory fees which range from \$5.00 to \$25.00 per class are assessed. Similarly, laboratory fees are charged for some courses in art, music, office administration, physical education, and education. A complete listing of these fees is posted during registration at the beginning of each semester.

Resident students' room rent per semester is \$275.00 for Wickham-Memorial Hall, \$312.50 for Condit Hall, and \$350.00 for Page Hall.

Two meals plans are available for resident students. Twenty-one meals per week will be provided in the college cafeteria at the rate of \$350.00 per semester. Fifteen meals per week will be provided at the rate of \$320.00 per semester. The meal plans are effective for the actual number of weeks that classes are in session.

COURSES IN STUDY

Baccalaureate degrees, which normally require four years of full-time study during the fall and winter terms, are available in the following major areas:

Physical Education	Religion
Psychology	Biology
Education	Biology Education
Secondary Education	Chemistry
Exceptional Children	Mathematics
Art	Medical Technology
Art Education	Accounting
English	General Business
French	History
Music	Sociology
Music Education	Political Science

Baccalaureate minors are available in the following areas:

Psychology	Biology
Education	Chemistry
Art	Mathematics
Art Education	Accounting
English	General Business
French	Economics
German	History
Music	Sociology
Religion	Political Science
Speech/Drama	

Areas of Concentration in the Department of Business and Economics are available in both Business Administration and Business Education.

Associate degrees, which normally require two years of full-time study during the fall and winter terms, are available in the following major areas:

Early Childhood Education
Mining Technology
Industrial Engineering Technology
Accounting
Secretarial Science
Nursing

Certificates, which normally require one year of full-time study during the fall and winter terms, are available in clerical studies and secretarial studies.

Regina Potts of South Webster, Ohio, performed two senior recitals: one trumpet and one voice

Lee Burke of Williamson, West Virginia, gave his senior recital on percussion instruments

Debbie Ritchie performed her senior recital on the French horn.

Other candidates giving recitals were Elaine Horner, piano; Johnny Beavers, piano and Pauletta Smith, piano.

All candidates for the bachelor of music education or bachelor of arts in music must present a senior recital before members of the department of fine arts faculty; if this recital is judged acceptable, the students then perform a public recital. These are part of the requirements for all music majors at Pikeville College.

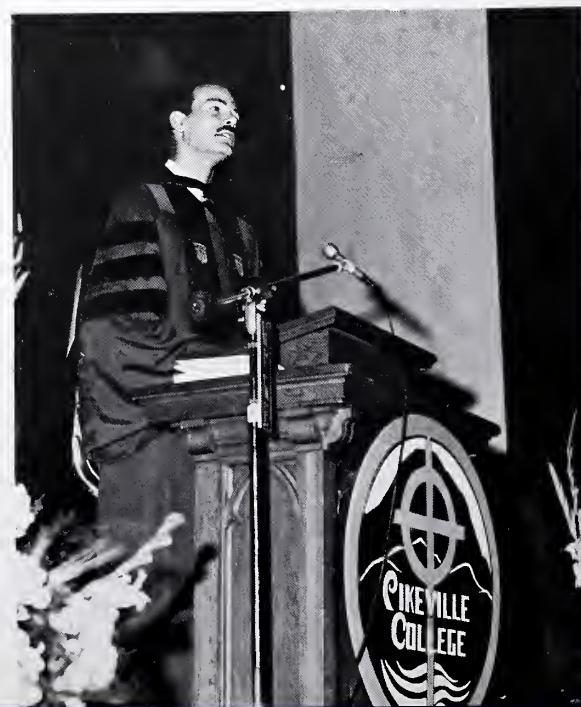

PIKEVILLE COLLEGE
COMMENCEMENT
MAY 6, 1978
FAITH CHAPEL
2:00 P.M.

The academic procession begins each year at the Armington Science-Learning Center and proceeds through the area between the Derriana and the Administration Building to Record Memorial Building where commencement exercises are held in Faith Chapel.

From left to right Walter P. Walters, trustee; Wilfred S. Martin, chairman of the Board of Trustees; Dr. Jackson O. Hall, president of the college; Dr. Presley Pendergrass, chairman of the division of human development; Dr. Marie V. Tarpey, vice president for academic affairs; Dr. Jerry L. Harris, chairman of the division of the humanities; Rev. Ben Sheldon, pastor of the First Presbyterian Church of Pikeville; Dr. Maurice Bailey, chairman of the division of science; and Rev. Dr. Roger R. Keller, minister to the college.

Wilfred S. Martin, chairman of the Pikeville College Board of Trustees, delivered the commencement address.

Walter P. Walters, trustee, received the honorary doctor of humane letters degree.

Dr. Jerry L. Harris, chairman of the division of the humanities and associate professor of English, received one of the two William Wade and Helen Record Walker Awards for Teaching Excellence and is congratulated by President Hall.

Mrs. Gertrude Ison, associate professor of mathematics, received the second Walker Award for Teaching Excellence; she has been with the faculty at Pikeville College for more than 20 years.

Chairman of the Executive Committee of the Faculty B.G. McCloud, associate professor of music, announced the names of the degree candidates as Dr. Marie V. Tarpey presented them and President Hall conferred their degrees.

PIKEVILLE COLLEGE REPRESENTATIVE TO THE 1978 MOUNTAIN LAUREL FESTIVAL

KATHI ANN MULLINS

In May of each year colleges and universities in Kentucky send one young woman to Pineville, Kentucky, to represent that school at the Kentucky Mountain Laurel Festival. One girl participating in the festival is crowned Kentucky Mountain Laurel Queen.

Any girl selected to attend this event is certainly honored. The 1978 Pikeville College representative to this festival was Kathi Mullins of Melvin, Kentucky. Kathi is a music education major and plans to teach upon completion of her education at Pikeville College.
